

# Value Competitiveness and Growth

Nungsari Ahmad Radhi  
Khazanah Megatrends Forum  
Kuala Lumpur, October 2008

“The whole world is funny in that way. Not in the way it is, but in its existing system, a system which says that people are not credit-worthy. But the real question is, are banks people-worthy?”

Muhammad Yunus,  
Grameen Bank founder &  
Nobel Peace Laureate 2006

# Crisis of Value

- Disconnect between real and financial
- Value and pricing (intrinsic vs. exchange)
- Distribution factors and factor returns
- Growth and development

# “Prescriptions”

- Localisation / Regionalisation
- Production economy
- Institutions, government & governance
- Values

Thank You
